Job Title: **Visiting Professor – International Relations (PPGRI-UFBA, Brazil)**

Description

The Graduate Program on International Relations of the Federal University of Bahia (PPGRI-UFBA), Brazil, seeks to find competitive candidates for a Visiting Professor opportunity in our university. The call is for one to four terms starting from March 2018. We are particularly interested in candidates who would widen and deepen our strengths in the fields of Global Governance, Cooperation and Development, Regional Integration and International Human Rights/Environment. The successful candidate(s) will teach one or two courses, guide graduate research projects and collaborate with the ongoing research projects of the Faculty. Interest in Latin American Studies and African Studies is an asset. The Visiting Professor will be expected to raise the international interconnection of the Program. Salaries are competitive. Please note that this is part of a general call of the University and more information can be found in the link below:
